

Matthew Wood

CREATIVE DIRECTOR / DESIGNER / FRONT-END WEB DEVELOPER

About

I create web, print and visual identities for companies of all sizes. I have over 18 years of experience working in the creative field.

Experience

My web experience encompasses everything from conception to completion. I am highly knowledgeable in HTML, CSS and industry-standard applications such as Adobe Creative Suite, Sketch and Figma. I have experience with PHP, MySQL, ASP and JQuery – and I have extensive knowledge creating mobile experiences and responsive designs.

My print experience includes designing newsletters, brochures, stationary, logos and direct-mail pieces; writing and formatting; and setting up jobs for production.
